RESEARCH SUMMARY

Researcher with expertise in bio-fabrication, 3D bioprinting, biomaterials, and advanced manufacturing, committed to advancing translational biomedical research and healthcare innovation through interdisciplinary collaboration.

EDUCATION

University of Houston , Houston, Texas, USA	<i>Aug 2027 (Expected)</i>
PhD in Industrial Engineering (in progress), CGPA: 4.00/4.00	
Research Area: Bio-fabrication, 3D bioprinting, Electrospinning	
Texas Tech University , Lubbock, Texas, USA	<i>Aug 2024</i>
Master of Science in Industrial Engineering, CGPA: 4.00/4.00	
Bangladesh University of Engineering and Technology , Dhaka, Bangladesh	<i>Apr 2019</i>
Bachelor of Science in Industrial Engineering, GPA: 3.53/4.00	

RESEARCH EXPERIENCE

Graduate Research Assistant , University of Houston, Texas, USA	<i>Aug 2024 – Present</i>
- Investigating the printability of bioinks and mechanical properties of hydrogel scaffolds for biomedical applications using volumetric printing, extrusion-based printing. - Developing biomimetic hydrogel scaffolds embedded with microtubes for enhanced perfusion and tissue engineering. - Optimizing bio-fabrication parameters using artificial neural networks (ANN) and multi-response optimization (MRO). - Conducting research on nano- and micro-scale material development using electrospinning and electrospraying techniques. - Working with 3D metal printing using the Laser Engineering Net Shaping (LENS) process to study alloy properties for biomedical implementation. - Collaborating on interdisciplinary projects integrating engineering and medical sciences for biomedical innovation.	

PROFESSIONAL EXPERIENCE

Teaching Assistant , Texas Tech University	<i>Sep 2022 – July 2024</i>
- Graded exams and assignments, supervised student projects, and provided academic support - Delivered lectures on Biomedical Innovation and Advanced Manufacturing	
Lecturer , International University of Business, Agriculture and Technology, Bangladesh	<i>Oct 2021 – July 2022</i>
- Designed course materials, delivered lectures, and conducted interactive classes - Supervised undergraduate theses, mentoring students in research execution	
Senior Supply Chain Officer , Rahimafrooz Renewable Energy Limited, Bangladesh	<i>Oct 2020 – Sep 2021</i>
- Managed procurement of local and international materials for production and projects - Strategically planned supply chains to ensure seamless product availability and delivery	
Operations Coordinator , Square Fashions Limited, Bangladesh	<i>Sep 2019 – Sep 2020</i>
Analyzed processes and compared performance metrics to identify improvement opportunities	

SKILLS

- | | |
|--|---|
| <ul style="list-style-type: none">Soft Skills: Project Management, Problem Solving, Team Collaboration, Leadership, Written/Verbal and Interpersonal Communications, Adaptability | <ul style="list-style-type: none">Language: English and Bengali (Native)Programming Languages: MATLAB, Python, C and R |
|--|---|

- **Software:** AutoCAD, Inventor, MS Excel, MATLAB, Simio, Arena, CATIA, Solidworks, Ansys, Minitab

PROFESSIONAL SERVICE

- **Session Chair**, “Bioprinting, Biomedical Devices & Wearable Sensors,” IISE Annual Conference & Expo 2026
- **Reviewer**, Materials Today Communications, Elsevier (2025)
- **Reviewer**, International Journal of Mechanical Engineering Education (2025)

HONORS AND AWARDS

- Best M&D student paper at IISE conference, Canada (2024)
- “Best track paper award” at IEOM conference, Bangkok (2019)
- “Best track paper award” at IEOM conference, Pilsen (2019)
- 100% scholarship in PTAK Supply Chain Competition (2017)
- Gold, Silver, and Bronze award winner in Duke of Edinburgh’s Award (2018, 2017, 2016)

CERTIFICATION

- Certified Internal Auditor Training in ISO 9001: 2015 (*Management Consulting Solution*, 2021)
- Certified Internal Auditor Training in ISO 45001:2018 (*iota Consulting BD*, December 2021)
- Supervised Machine Learning: Regression and Classification (*Coursera*, May 2024)
- Data Analytics for Lean Six Sigma (*Coursera*, July 2020)
- Introduction to Data Analytics for Business (*Coursera*, May 2020)
